To Whom it May Concern,

With immense pleasure, I am writing this to recommend, **Mr.Prince**. I have known him in my capacity from 25th July 2020 – 12th September 2020 and he successfully completed this remote internship as a Data Science Intern at Technocolabs, Indore. During the internship he was found to be proactive, punctual and inquisitive who demonstrated a good work ethic and interpersonal skills. **Mr. Prince** carried out all the tasks that were assigned by the company and he made sure to put extra hours of effort and completed the work within the mentioned deadlines.

Our team grouped him up with few other interns to complete the company's major project and we found out that **Mr. Prince** exhibited profound team management and communication skills that helped him throughout the completion of the project. Besides this, he gained experience in numerous concepts in Data Science that enhanced his existing skill set. I am impressed by his professionalism and dedication. I definitely believe that, he would be an excellent fit and will bring great laurels to any university or company that he applies to, in the near future.

We wish **Mr. Prince** all the very best and success in his future endeavors.
